

PURCHASE REQUEST

Sample document for the watsonx Orchestrate Text extractor node. The labels are intentionally explicit so that KVP extraction can identify them.

Field	Value
requester	hong.gildong
department	Engineering
request_date	2026-09-21
total	1500000
budget	2000000
currency	KRW
reason	Development equipment purchase

sku	quantity	unit_price
NOTEBOOK	1	1200000
MONITOR	2	300000
KEYBOARD	3	100000

Expected extraction keys: requester, department, request_date, total, budget, reason, items[].sku, items[].quantity, items[].unit_price.
